免責聲明(只提供英文版)

The information contained in this document is for general informational purposes only and does not constitute an offer, solicitation, invitation or recommendation to subscribe for or purchase any securities, or other products or to provide any investment advice or service of any kind. This document is solely intended for distribution to and use by professional investors. This document is not directed at, and is not intended for distribution to or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject BC Group ("BC Group or the "Group") to any registration requirement within such jurisdiction or country.

This document contains forward-looking statements which are based on the current expectations, estimates, projections, beliefs and assumptions of BC Group about the businesses and the markets in which it and its subsidiaries operate. These forward-looking statements are not guarantees of future performance and are subject to market risk, uncertainties and factors beyond the control of BC Group. Therefore, actual outcomes and returns may differ materially from the assumptions made and the statements contained in this document.

Although the information contained in this document is obtained or compiled from sources believed to be reliable, BC Group does not guarantee the accuracy, validity, timeliness or completeness of the information or data for any particular purpose, and shall not accept any responsibility for, or be liable for, errors, omissions or other inaccuracies in the information or for the consequences thereof. The information set out in this document is provided on an "as is" and "as available" basis and may be amended or changed. It is not a substitute for professional advice which takes account of your specific circumstances and nothing in this document constitutes legal advice. BC Group shall not be responsible or liable for any loss or damage, directly or indirectly, arising from the use of or reliance upon any information provided in this document.

Adjusted EBITDA is used by management as a measure of the Group's operating performance with that of our peers. Adjusted EBITDA should not be considered in isolation, construed as an alternative to profit or operating profit as reported under IFRS or other combines operations or cash flow data, or interpreted as an alternative to cash flow as a measure of liquidity. Adjusted EBITDA presented in this presentation may not be comparable to other similarly titled measures of other companies operating in the same or different business industry sectors.

數字資產加速融入主流金融
